

Clerk of the Court,

I am writing to request a copy of the local rules governing civil procedure, or to be instructed as to how to obtain them, your pro se packet and the address at which I can write to judge Liam O'Grady.

Also, please inform me of the status of my case: No. 1:13-CV-129-LO-IDD, Chesser, et al. v. Chesser, et al., and its pending motions. Please send me the Docket Sheet for this as well.

Finally, my wife is overseas and sending express mail costs her 50%+ of her monthly income. Can she fax motions to the court, or is there another cost effective way of timely filing from overseas? Regular mail can take several months.

Thank you,

Zachary Chesser
